BACKGROUND AND ANALYSIS

During FY 2020 Budget discussions parking revenue was discussed. Staff discussed the possibility of generating additional parking revenue by utilizing the Town Hall Lot for permitted parking on weekends and holidays (Memorial Day, Independence Day, and Labor Day).

Under this scenario, six spaces along the park would be designated one-hour parking without permit to provide parking for the park and the police station. Twelve spaces and two handicapped spaces would be permitted parking and require paid permits and six spaces would be available to Town staff and the Fire Department for parking and also require a permit. Please see the attached aerial view of Town Hall.

We would not ticket or enforce the parking during the Alcoholics Anonymous meetings on Sunday mornings.

At this time, we are not certain how much revenue would be generated from this change. We estimate the cost of signage would be \$700.
